1. **Member:** This field provides the member's name.
   Note: Dependents won't have their own ID card, but will be able to access and print the card which contains the member's basic information—what you'll need to verify eligibility.

2. **Coverage Type:** This field indicates who is covered under the member's plan.

3. **Client ID:** This number will be requested if you call VSP Customer Service for assistance; it will help us find the correct patient's benefit information.

4. **Doctor Network:** Check this field to make sure you accept the patient's plan/benefit type.

5. **Copay:** This will list any VSP copays you should collect from the patient.

6. **Print Date:** This is the date the card was printed, not the member's plan effective date.

*The Member Vision Card isn't required to receive services and/or materials. Continue to verify eligibility and get authorizations on eyefinity.com.
