# **VSP'S MEDICAID PLAN**

VSP's Medicaid Plan is based on contracts with health care organizations (clients) to provide the vision care portion of the state's Medicaid program.

Clients are required to provide the minimum benefits specified by your state's Medicaid program, but may also offer enhanced benefits.

Please refer to Client Detail pages and/or Medicaid Fee Schedules for details about administration of basic state benefits. For state information, refer to the State Medicaid Manual.

# **ENROLLMENT/DOCTOR PARTICIPATION**

Participation is voluntary. Only VSP doctors who have signed a Medicaid Plan Acknowledgment may provide services to Medicaid Plan members. All participating doctors are required to have a state Medicaid identification number.

#### **Eligibility & Authorization**

When you contact VSP for an authorization, please provide the following information:

- Last four-digits of the member's Social Security Number and date of birth or the entire client-assigned ID number
- Member's Medicaid number if different from Social Security Number
- Patient's date of birth
- Patient's HMO name

There are several ways to obtain an authorization:

**VSP's Electronic Claim Submission System**—Enter member's Social Security Number or client-assigned ID number using eyefinity's website and select "Check Patient Eligibility" to access eligible plans. You may wish to print the plan information to discuss plan coverages with your patients.

**Customer Service**—Call VSP at **800.615.1883**. You may select "1" to contact our automated Interactive Voice Response (IVR) system, or you may speak with a Customer Service Representative who will verify the patient's current eligibility, provide plan information, and issue an authorization.

**Note:** When the member's eligibility has been verified, VSP will provide an authorization number that is effective through the last day of the current month.

#### **Coordination of Benefits**

If the Medicaid patient has vision care coverage through any carrier other than VSP or another VSP plan, you must bill that carrier or the other VSP plan first. The VSP Medicaid Plan should be billed as secondary, where appropriate. For electronic claim submission, be sure to provide the patient's responsibility for exam and refraction separately.

# EXAM COVERAGE

Routine eye exam coverage and timeframes are established by State regulations.

In addition to coverage for routine vision care services, Medicaid members are typically covered for services under VSP's Primary EyeCare Plan or Integrated Primary EyeCare Program. Any exceptions to this coverage are described in the Client Detail pages and/or the Fee Schedule.

#### Referrals

Follow all referral protocols set forth by your patient's health plan for any services beyond the scope of the patient's VSP plan. Typically, an HMO requires that patient referrals be coordinated by the primary care physician (PCP). However, a PPO usually allows patients to receive care from any medical provider without a PCP referral. Check Client Detail pages for any specific instructions or exceptions.

# **MATERIALS COVERAGE**

**Note:** Please refer to the Patient Record Report, authorization, or Client Detail pages to determine if any exceptions are covered by your state Medicaid Plan and/or by the client.

#### Lenses

Lenses are available to the patient based on state regulations.

Covered basic lenses are established by state regulations.

For more information, please refer to your Client Detail pages and/or Fee Schedule.

#### **Repair and Refitting Spectacles**

If a covered benefit, bill repairs to eyeglasses using CPT code 92370 (repair and refitting of spectacles) or CPT code 92371 (repair of spectacle prosthesis for aphakia).

Do not bill a dispensing code for repairs.

Repair and refitting codes cannot be billed with material HCPCS codes (e.g., V2020) on the same date of service.

Please refer to your state provider manual for eligibility and state-specific guidelines.

#### Replacement

If a covered benefit, bill replacement frame and lenses using the appropriate frame or lens HCPCS code. Do not bill a dispensing code for replacement of just the frame or lenses.

A dispensing fee may only be billed, if you are replacing a complete set of eyeglasses (frame and lenses).

Please refer to your state provider manual for eligibility and state-specific guidelines.

#### Frames

Frame coverage is based on state regulations. Medicaid plans have an established allowance for the purchase of a new frame. For further information refer to your Client Detail pages and/or Fee Schedule.

#### **Visually Necessary Contact Lenses**

If a covered benefit, refer to Client Detail pages as specific criteria applies. You must bill for both the contact lens fitting and materials, to be reimbursed.

# LABORATORY

You may use any lab of your choice on a private invoice basis or fabricate your own materials. Exceptions are noted in the Client Detail pages.

Contract labs that have agreed to provide lenses at a reduced price for VSP are identified in the **National Contract Lab List** in your VSP Provider Reference Manual. When using a contract lab on this list, please write "VSP Medicaid" and the authorization number on the private invoice to ensure reduced VSP Medicaid materials prices.

#### Lab Price Schedule

**Note:** The lab price schedule below is valid for Medicaid Plan prescriptions **only**. Please refer to the patient's authorization and the Medicaid Fee Schedule to determine if any exceptions are covered by your state Medicaid Plan and/or by the client.

- Bifocal or trifocal Segment widths of 25 and 28
- All higher adds
- All base curves
- Press-on prism
- Eye size up to and including 55mm
- Shipping and handling charges to the office

# SUBMITTING CLAIMS/BILLING & REIMBURSEMENT

The filing limit for submitting claims in most states is 180 days from the date of service. Exceptions are noted in the Client Detail pages.

Submit Medicaid claims:

- Electronically through eClaim on eyefinity.com.
- Via paper on a typewritten or computer-generated standard CMS-1500 form.
- Enter the authorization number in Box 23 of the **CMS-1500 form**. Use the appropriate Place of Service and Type of Service codes from your state Medicaid manual, and submit the **CMS-1500 form** directly to VSP for processing after providing services. It is not necessary to include the lab's invoice for materials.

VSP will only reimburse claims received for patients who are eligible at the time of service.

All Medicaid claims must be billed with the appropriate diagnosis codes:

Medical eyecare services performed in bordering states are reimbursed per VSP's Primary EyeCare Medicaid fee schedule for the state in which you reside. Medicaid fee schedule for the state in which you reside.

You are responsible for verifying the accuracy of your payment. For Medicaid patients, overpayments must be corrected within 60 days.

#### **Coordination of Benefits**

Coordination of benefits is available in most states. Exceptions are noted in the Client Detail pages. If the patient has other vision coverage, coordinate benefits and bill the other carrier. Medicaid is the payor of last resort.

#### **For Electronic Claims**

- Exam only claims (with or without a refraction) can be submitted electronically as long as a routine or refractive diagnosis is present,
- When you receive payment from the primary plan, keep a copy of the original CMS-1500 form showing the exam and refraction services submitted to the primary plan, along with the Explanation of Payment or Explanation of Benefits from the health plan/Medicare, in the patient's file.

**Note**: Enter exam and refraction separately with this exact language in box 19: "secondary COB claim patient resp EXAM \$XX.XX REFRACTION \$XX.XX." (Indicate the dollar amount of the patient's responsibility in place of the XX.XX).

#### **For Paper Claims**

• When you receive payment from the primary plan, send a copy of the original CMS-1500 form showing the exam and refraction services submitted to the health plan, along with the Explanation of Payment or Explanation of Benefits from the health plan, to VSP. Don't send a summary.

Refer to the Coordination of Benefits (COB) section of the **VSP Manual** for complete information.

# **NEW MEXICO MEDICAID CLIENT DETAILS**

#### **Member Identification Number**

Presbyterian Centennial: Members are reported by an 11-digit identification number.

#### **Exam & Materials Coverage**

**20 and under:** Exam, lens, and frame every 12 months in addition to materials eligibility criteria below.

**21 and over:** Exam, lens, and frame every 36 months in addition to materials eligibility criteria below.

**21 and over (ABP Only):** Exam every 36 months. Members are not eligible for materials, including Visually Necessary Contact Lenses. However, members are covered for post-cataract services. See **Post Cataract Enhancement Clients** for complete information.

#### **Materials Eligibility**

Initial materials require a minimum diopter correction, as follows:

- -1.00 Myopia, nearsightedness
- +1.00 Hyperopia, farsightedness
- ±0.75 Astigmatism, distorted vision
- ±1.00 Presbyopia, farsightedness of aging
- ±2.00 Diplopia, double vision prism lenses

If an existing prescription is updated, there must be a minimum of 0.75 diopter change in the prescription. Exceptions are:

• 20 and under

• 21 and over: Members with cataracts

For both age groups, corrective lenses are covered more frequently when prescription change is due to a medical condition. Bill with the appropriate diagnosis codes and modifier KX. Visual necessity must be documented in the patient's file.

#### **BIFOCAL LENSES**

Bifocal lenses are covered with a correction of .25 or more diopter for distance and 1 diopter or more for added power.

#### **COVERED OPTIONS**

Bill with the appropriate diagnosis codes and modifier KX. Visual necessity must be documented in the patient's file.

#### BALANCE LENSES

Balance lenses are covered in the following situations:

- Lenses used to balance an aphakic eyeglass lens; or
- Members are blind in one eye and the visual acuity in the eye requiring the correction meets the diopter correction criteria.

#### **PHOTOCHROMIC LENSES**

Photochromic lenses are covered if visually necessary and meet the diopter correction criteria. Bill with the appropriate diagnosis codes and modifier KX. Visual necessity must be documented in the patient's file.

#### PRISM

All prisms are covered if visually necessary to prevent diplopia (double vision).

#### LENS TEMPERING, LENS EDGING, LENS INSERTION, AND LENS POLISHING

Lens edging, insertion, and polishing are all covered benefits. Lens tempering is covered for new glass lenses only.

**Note:** Reimbursement for lens tempering, edging, insertion, and polishing are already included in the cost of the base lens.

#### **POLYCARBONATE LENSES**

Covered for an eligible recipient with medical condition(s) that require a prescription for high power lenses or prescriptions for high acuity; an eligible recipient with monocular vision; or an eligible recipient who works in a high activity physical job.

Bill with the appropriate diagnosis codes and modifier KX. Visual necessity must be documented in the patient's file

#### DISPENSING

The New Mexico medical assistance division (MAD) pays a dispensing fee for dispensing a combination of lenses and new frames at the same time.

#### VISUALLY NECESSARY CONTACT LENSES

**20 and under:** Coverage for an eligible child recipient is limited to one pair of contact lenses in a 12-month period, unless an ophthalmologist or an optometrist recommends a change in prescription due to a medical condition affecting vision.

**21 and over:** Coverage for an eligible adult recipient 21 years of age and older is limited to one pair of contact lenses in a 36-month period, unless an ophthalmologist or an optometrist recommends a change in prescription due to a medical condition affecting vision.

**Eligibility:** Eligible recipient must have a diagnosis of keratoconus or diopter correction of +/--6.00 or higher in any meridian or at least 3.00 diopters of anisometropia; or monocular aphakics may be provided with one contact lens and a pair of bifocal glasses.

Bill with the appropriate diagnosis codes and modifier KX. Visual necessity must be documented in the patient's file.

#### **GLASSES TO WEAR OVER CONTACTS BENEFIT**

If visually necessary, spectacle lenses with frame over visually necessary contacts are a covered benefit. Monocular aphakics may be provided with one contact lens and a pair of bifocal glasses. A prescription is required for the lenses. Plano lenses aren't a covered benefit with the exception of qualified balance lenses.

When glasses to be worn over contact lenses is visually necessary, call VSP at **800.615.1883** to request the spectacle lenses and frame authorization number at the same time or within 30 days of the contact lens claim submission date. For patients with

keratoconus, request an authorization number for spectacle lenses and frame to be worn over contact lenses within 12 months of the contact lens claim submission date. Please have the relevant criteria information available when calling. Visual necessity must be documented in the patient's file.

# **Patient Responsibility**

#### **COVERED SERVICES/MATERIALS**

**NOTE**: It's the doctor's responsibility to verify the eligibility status of each member at the time of service and obtain the appropriate authorization. Failure to obtain authorization doesn't create a payment liability for the patient.

You must accept payment by VSP as payment in full for services rendered and make no additional charge to any person for covered services, less any applicable copays.

#### NON-COVERED SERVICES/MATERIALS

If the patient or guardian requests any non-covered service and/or material, you may bill the patient your usual and customary fees for non-covered services or materials if all of the following requirements are met. For exceptions, please refer to Covered Services section.

- The patient or guardian must be informed prior to services being rendered that this is a non-covered service or material. Advise the patient or patient's guardian of their payment responsibilities before providing services.
- Provide the patient with information regarding the necessity, options, and estimated charge(s) for the service/material(s).
- The patient or guardian must sign an **Agreement of Financial Responsibility** form or equivalent that clearly states the patient is aware they are choosing to purchase non-covered services or materials as a private-pay customer. Keep the form in the patient's records.

Do not bill VSP for these non-covered services or materials. Treat this as a private-pay transaction and follow your private-pay patient policy.

#### Repair

Minor repair to eyeglasses are covered. Authorization is required; please call VSP at **800.615.1883** for an authorization number.

# Replacement

Eyeglasses or contact lenses that are lost, broken, or have deteriorated to the point that they have become unusable to the patient, may be replaced. Two items must be documented in the patient's visual examination record: eyeglasses or contact lens (or lenses) prescription/diagnosis that meets the diopter correction eligibility criterion; and an explanation of the loss, deterioration, or breakage.

The following are the criteria that an eligible recipient must be meet for the replacement of eyeglasses or contact lenses:

(a) the recipient is under 21 years of age; or

(b) the recipient is 21 years of age and older and has a developmental or intellectual disability.

#### LENSES

For either age group, corrective lenses can be covered more frequently when an ophthalmologist or optometrist recommends a change in prescription due to a medical condition, including but not limited to cataracts, diabetes, hypertension, glaucoma, or treatment with certain systemic medications affecting vision. The vision prescription must be appropriately recorded on the eligible recipient's visual examination record and indicated by a diagnosis on the claim.

#### FRAMES

**20 and under:** Coverage for an eligible recipient under 21 years of age is limited to one frame in a 12-month period unless an ophthalmologist or optometrist has documented a medical condition that requires replacement.

#### TIMELY FILING

File claims within 90 days of the date of service to ensure compliance with New Mexico Medicaid guidelines for encounter data submission. Claims that are not filed within this timeframe may be denied.

# **Client Exceptions**

Where medical necessity is identified but does not meet the criteria listed, you may contact VSP to request specific benefit review for your patient prior to rendering services. Specific benefits available for review include necessary contact lenses and low vision.

For service/material listed above, bill with the appropriate diagnosis codes and modifier KX when determined visually necessary. Visual necessity must be documented in the patient's file.

# Primary EyeCare Coverage

VSP's Primary EyeCare plans provide supplemental medical eyecare coverage for the detection, treatment and management of ocular and/or systemic conditions that produce ocular or visual symptoms. Members may see their VSP doctor when such a condition is suspected.

Covered benefits are administered according to the VSP policies and procedures in effect upon the date of service. Please click on the appropriate link below to view covered procedure codes for your state. Please note codes are only covered when appropriate based on your scope of licensure as well as the current laws, rules and regulations as determined by the State and Federal Government.

# **VSP NEW MEXICO MEDICAID PLAN**

# **PROFESSIONAL FEE SCHEDULE FOR ROUTINE SERVICES**

# Effective 1/1/14

Reimbursement for routine vision care services is based on the lesser of the billed amount or the maximum allowable reimbursement as reflected on this fee schedule. Fees are subject to change with notification from VSP. These fees include the gross receipts tax and therefore cannot be passed on to Medicaid patients.
